2simple

It's maths, but not as you know it!

Get your school involved with NSPCC Number Day fun this February and every pound raised will help to protect more children.

Number Day is the perfect way to get pupils involved with learning and fundraising, and these fun, free and interactive maths resources for EYFS and Primary age groups will get children excited about maths.

EYFS

Early years pupils will love using our digital painting tool to colour numbers 1-5, as well as a counting pairs game.

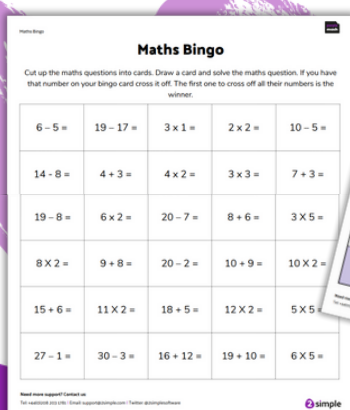

- 1 [Number 1 Paint Project](#)
- 2 [Number 2 Paint Project](#)
- 3 [Number 3 Paint Project](#)
- 4 [Number 4 Paint Project](#)
- 5 [Number 5 Paint Project](#)

 [Counting Pairs](#)

Ages 5-7

Have fun with Maths Bingo, quizzes and pairs games in Key Stage One, counting objects and calculating change.
